THOMAS J. COATES, PhD, and BERNARD LO, MD

From the Division of General Internal Medicine, Center for AIDS Prevention Studies, Division of Medical Ethics, The Robert Wood Johnson Clinical Scholars Program, University of California, San Francisco, School of Medicine.

CONFERENCES AND REVIEWS

635 Hypercalcemia in Malignancy

GORDON J. STREWLER, MD, and ROBERT A. NISSENSON, PhD

From the Endocrine Unit, Veterans Administration Medical Center, San Francisco, and the Departments of Medicine and Physiology, University of California, San Francisco, School of Medicine.

641 The Biology and Physiology of Aging

Discussant: ITAMAR B. ABRASS, MD

A discussion selected from the weekly staff conferences in the Department of Medicine, University of California, San Francisco. Taken from a transcription, it was edited by Homer A. Boushey, MD, Professor of Medicine, and Nathan M. Bass, MD, PhD, Associate Professor of Medicine, under the direction of Lloyd H. Smith, Jr, MD, Professor of Medicine and Associate Dean in the School of Medicine.

EPITOMES—IMPORTANT ADVANCES IN CLINICAL MEDICINE

Pediatrics

Items of progress in pediatrics. Each item, in the judgment of a panel of knowledgeable physicians, has recently become reasonably firmly established, both as to scientific fact and important clinical significance.

646 Diagnosis, Treatment, and Follow-up of Newborns Addicted to Cocaine

ROBIN L. HANSEN, MD

(Continued on Page 600)

*(Continued from Page 596)***646 Flexible Fiberoptic Bronchoscopy in Children**

RUTH J. McDONALD, MD

647 Bone Marrow Transplantation for the Treatment of Genetic Disease

MORTON J. COWAN, MD

648 Fetal Surgery

MICHAEL R. HARRISON, MD

648 Predictors of and New Therapy for Jaundice

DAVID K. STEVENSON, MD, and RICHARD P. WENNBURG, MD

649 Interventional Catheterization for Congenital Cardiac Defects

MARK M. BOUCEK, MD

650 Diagnosis and Treatment of the Acquired Immunodeficiency Syndrome in Children

E. RICHARD STIEHM, MD

651 Newborn Hemoglobinopathy Screening

CHARLES F. ABILDGAARD, MD, and CAROL WINSTON, MSW

651 Steroid Therapy for Bacterial Meningitis

MOSES GROSSMAN, MD

ALERTS, NOTICES, AND CASE REPORTS**653 McCune-Albright Syndrome—A Case of Primary Hypogonadism Obscured by Hyperprolactinemic Hypogonadotropic Hypogonadism**

ARTHUR L. M. SWISLOCKI, MD; CARLOS A. CAMARGO, MD; and ANDREW R. HOFFMAN, MD

From the Geriatric Research, Education, and Clinical Center, Veterans Administration Medical Center, Palo Alto, and the Division of Endocrinology, Department of Medicine, Stanford University School of Medicine, Stanford, California. Dr Swislocki is currently with the Medical Service, Veterans Administration Medical Center, Martinez, California, and the Division of Endocrinology, Department of Medicine, University of California, Davis, School of Medicine.

656 Revenge of the Barbecue Grill—Carbon Monoxide Poisoning

JOHN D. GASMAN, MD; JOSEPH VARON, MD; and JAMES P. GARDNER, MD

From the Department of Medicine, Stanford University Medical Center, and the Division of Emergency Medicine, Department of Surgery, Stanford University School of Medicine, Stanford, California.

657 Primary Tuberculous Thyroid Abscess Mimicking Carcinoma Diagnosed by Fine Needle Aspiration Biopsy

MARIA LEISA C. MAGBOO, MD, and ORLO H. CLARK, MD

From the Metabolic Research Unit and the Department of Surgery, University of California, San Francisco, School of Medicine, and the Department of Surgery, Veterans Administration Medical Center, San Francisco.

EDITORIALS**660 Parathyroid Hormone-Related Peptide**

ARTHUR E. BROADUS, MD, PhD

Dr Broadus is Professor of Medicine and Cellular and Molecular Physiology and Section Chief, Endocrinology and Metabolism, Department of Internal Medicine, Yale University School of Medicine, New Haven, Connecticut.

CORRESPONDENCE

662 **Total Parenteral Nutrition**

ALAN L. BUCHMAN, MD, and MARVIN E. AMENT, MD
 Reply, STEVEN KATZ, MD, and ROBERT K. OYE, MD

663 **Disability and the SSA**

R. WAYNE MALL, MD

663 **Continuing Stress and Hypertension**

ALVIN MARKOVITZ, MD
 Reply, PIERO MUSTACCHI, MD

664 **The Peril of Espresso Machines**

GREGORY T. CARTER, MD; DAVID D. KILMER, MD; and BILL S. ROSEN, MD

665 **Clarification**

WILLIAM A. JENSEN, MD

665 **More on Mohs'**

HOWARD K. STEINMAN, MD

LESSONS FROM THE PRACTICE

667 **Managed Care**

BARRY R. SILBAUGH, MD

Dr Silbaugh is in private practice in Albuquerque, New Mexico.
